Grasp the bundle of items tightly and roll over the remainder of the hand towel tightly. Place the tightly rolled bundle in

the plastic bag. Remove as much air as possible and seal the bag.

Important Notes

- All items must be new.
- Do not wash any of the items as they will be considered used.
- Please remove all packaging.
- All emergency kits are carefully planned to make them usable in the greatest number of situations.

Since strict

rules often govern product entry into international countries, it is important that kits contain only the requested

items – nothing more.

- DO NOT include any personal notes, money or additional material in the kits. These things must be painstakingly removed and will delay the shipment.

(HEALTH KIT CONT.)

- **UMCOR is now purchasing toothpaste in bulk to be added to health kits before shipping to ensure that the product does not expire before they are sent. Do not put single dollar bills in each kit. Collect all monies for toothpaste and shipping, place it in a separate envelope and send along with the kit donations.**
